Notification

Subject: **Domain Heads and Members**

To improve the quality of content delivery and to implement OBE as per NCEAC requirements, following three domains are hereby constituted with an immediate effect:

SN	Domain Heads and Members	Pool of Courses
1	Computer Science (i) Dr. Nadir Shah (Head) (ii) Dr. Mussarrat Abdullah (Member) (iii) Dr. M. Khalil Afzal (Member) (iv) Dr. Muhammad Maaz Rehan (Member)	Introduction to ICT
		Programming Fundamentals
		Object Oriented Programming
		Data Structures and Algorithms
		Web Technologies / Scripting Languages
		Visual Programming
		Mobile Application Development
		Game Development
		Operating Systems
		Compiler Construction
		Computer Networks
		Design & Analysis of Algorithms
2	Software Engineering (i) Dr. Tassawar Iqbal (Head) (ii) Dr. Salma Rasheed (Member) (iii) Dr. Kashif Ayyub (Member) (iv) Dr. Faisal Shafique Butt (Member)	Software Engineering Concepts
		Object Oriented Software Engineering
		Software Requirement Engineering
		Formal Methods
		Software Project Management
		Software Design and Architecture
		Software Testing
		Software Engineering Economics

		Professional Practices for IT
		Software Quality Engineering
		Theory of Automata
		Microprocessor and Assembly Language
3	Artificial Intelligence (i) Dr. Muhammad Sharif (Head) (ii) Dr. Jamal Hussain Shah (Member) (iii) Dr. Faisal Azam (Member) (iv) Dr. Saeed ur Rehman (Member)	Artificial Intelligence
		Digital Image Processing
		Pattern Recognition
		Machine Learning
		Computer Vision
		Topics in Computer Science
		Design Patterns
		Database Systems
		Data Warehousing and Data Mining
		Introduction to Data Science
		Computational Intelligence
		Human Computer Interaction

Responsibilities of Domain Heads and Members:

1. To develop/update and present course outlines following HEC guidelines and current industry needs in BoS for consideration and implementation.
2. To monitor course progress through meetings with respective faculty members at least once a month to get the faculty/course wise details such as (Quizzes, Assignments, Course Coverage) and present the data in DARC meetings.
3. To endorse/vet the midterm as well as final question papers of their respective faculty members and guide the faculty to synchronize the content delivery with the CDF of the respective courses.
4. To check and ensure that course folders related to their domain are in line with the NCEAC requirements.
5. Domain heads may assign course coordinators from the members of that domain for smooth conduct of courses.
6. To discuss student performance review.

Dr. Sheraz Anjum
Professor / Head
Dept. of Computer
