Attended by: Class Counselors of Spring 2025

The following are the minutes of the meeting.

Agenda:

1. Discussion of course offerings for Spring 2025 semester
2. Review of registration timeline and student advisement
3. Strategies to support students in course selection

1. Discussion of Course Offerings for Spring 2025 Semester

- Undergraduate program coordinator provided an overview of the available courses for the Spring 2025 semester, emphasizing updated course content for several core and elective Computer Science courses. He highlighted the introduction of new electives focusing on emerging fields like Artificial Intelligence and Cybersecurity.
- Head of department inquired about the prerequisites for some advanced courses, and Undergraduate program coordinator confirmed that they will be clearly outlined on the course registration portal.

Action Item:

- Ensure that all course prerequisites are clearly stated on the registration portal.
- Confirm updated course offerings with the department's website and registration system.

2. Review of Registration Timeline and Student Advisement

- DCO presented the registration timeline for the Spring 2025 semester, noting that registration has begun on **February 3, 2025**. He emphasized that early registration is essential for students to secure their desired courses.
- Head of department discussed the importance of advising students early, especially for those who have complex academic plans or are on probation.
- The group agreed that counselors should proactively reach out to students, ensuring they are aware of the registration timeline and receive guidance regarding course selections.

3. Next Steps for Class Counselors

- Head of Department emphasized that counselors should focus on guiding students in building balanced schedules, avoiding overloading with difficult courses.
- The group discussed the importance of maintaining accurate and up-to-date records of student advisement sessions to track progress and avoid conflicts with course prerequisites.
- Class counselors are available for one-on-one advising sessions throughout the registration period.
- Monitor course enrollment numbers closely and report any capacity issues.
- Encourage students to plan ahead and seek advice early to ensure smooth registration.

The meeting ended with the vote of Thanks.
