DEPARTMENT OF COMPUTER SCIENCE

Subject: Minutes of the DARC Meeting (SP-24)

Dated: 18-03-2024 at 1130 Hours

Venue: CS Conference Room

Chaired by: HoD (CS)

Attended by: DARC Members

The following minutes document the proceedings of the 2nd DARC meeting for Spring 2024, which commenced with the name of Allah.

1- Outcome-Based Education (OBE) Implementation for Courses

1.1 The house acknowledged the importance of aligning courses with OBE principles to enhance the quality of education and ensure that students achieve desired learning outcomes. They emphasized the need for a structured approach to implement OBE effectively.

The discussion also addressed the challenges associated with OBE implementation, including the need for faculty training etc. It was recognized that transitioning to OBE requires a collaborative effort and support from all stakeholders, including faculty, administration, and students.

The DARC members commitment to actively participate in OBE training workshops and collaborate with colleagues.

A committee has been formed to oversee the implementation of OBE, comprising the following faculty members:

1. Dr. Nadir Shah, Tenured Professor	Head
2. Dr. Tassawar Iqbal, Tenured Asso. Prof.	Member
3. Dr. Sulma Rashid, Tenured Asso. Prof.	Member
4. Dr. Samia Riaz, Assistant Prof.	Member/Secretary

1.2 It was decided that faculty members will deliver and assess the Final / Mid / Quizzes / Assignments / Lab Assignments according to the CLOs.

1.3 It was also decided Final / Mid / Quizzes / Assignments / Lab Assignments question papers must be vetted by the Domain Head. The question papers signed by the Domain Heads only be accepted at the end of the semester and in the course folder.

1.4 Each faculty member will review their respective course folders and ensure that all required documents are accurately organized. In case of any missing documents or discrepancies, faculty members will promptly rectify the issues and update their folders accordingly.

2- Awareness of Course Learning Outcomes (CLOs) among Faculty and Students:

The house expressed the significance of understanding CLOs from a student's perspective. The awareness of CLOs enables students to align their learning goals with course objectives, leading to better engagement and academic success.

It was decided that the faculty should incorporate CLOs into their teaching practices, such as explicitly stating CLOs in course syllabi, discussing them at the beginning of each class, and aligning assessments with CLOs to provide meaningful feedback to students.

It was unanimously agreed that both faculty and students must have a clear understanding of CLOs to enhance the quality of education delivery and ensure alignment with program objectives.

The 3rd meeting of the DARC will be held on Thursday, 4th April 2024 at 11:30 AM.

The meeting concluded with a vote of thanks.
